Terms and Conditions

Rebate availability

The Questar Gas ThermWise Weatherization Rebates Program has been approved by the Public Service Commission of Utah and may be subject to change or modification at any time. All efficiency measures must be new and must be purchased and installed prior to submitting a rebate application, and must have been purchased and installed on or after January 1, 2007. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

Rebate qualification

Qualifying efficiency measures and services may be found online at ThermWise.com, or by calling 1-800-323-5517. Efficiency measures must be installed in single-family houses or in dwellings of up to four units within Questar Gas's Utah service area. Gas heating required for all rebates. Some measures must be installed by an approved contractor. A list of approved contractors can be found at ThermWise.com.

Application details

Applications are subject to verification by Questar Gas. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed.

Questar Gas issues rebates in the form of checks, not utility-bill credits. Questar Gas is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate, and Questar Gas will not pay rebates for efficiency measures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

Rebate limitations and limitation of damages

Payment of the rebate by Questar Gas does not warrant the performance of qualifying/installed efficiency measures and does not warrant that the qualifying/installed efficiency measures will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying measures. Neither Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or processes disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

Acceptance of terms

I hereby certify that all information is accurate, including claims of customer and equipment information. I have read all terms and conditions on the reverse side of this form and acknowledge that Questar Gas may verify all the information provided.
